Dear Parents and Carers,

Re: Sponsored Event

We would like to run a sponsored event for Nursery and Reception - the EYFS. We have done this successfully two years ago, where we were really pleased to have raised more than £600 across the two year groups. We used this money to buy more resources for the children to access during the school day. As this money was raised by the families, we felt justified in responding to the pupils wishes about what they thought would be good to have in school.

We will be running this event again, just as we come back to school in the new half term, on Tuesday 30th October. We ask that you bring in a wheeled toy for your child and that you store this up by the cage when you arrive at school. We will then take the children up to the cage in groups and allow them the opportunity to go 'round and round' the cage with their toy, as many times as they can manage! (They should sleep well that night!) The wheeled toy can be a scooter, bike, tricycle, buggy to push ... anything that appeals to your child. If it is something that they ride, please also provide a helmet.

As well as bringing a wheeled toy to school on the 30th, we need you to be ruthless, merciless and down-right cheeky as you pester everybody you know and ask them to sponsor your child. It would be amazing if we could beat our previous total.

Thank you for your support. Do get in touch if you have any questions.

Kind regards

Emily Leicester

EYFS Leader
